

OPUS Hotel & La Pentola on Valentine's Day

by MIJUNE on FEBRUARY 5, 2014 · 0 COMMENTS

Romance is Exclusively Yours at Vancouver's Trendiest Boutique Hotel

**From press release.

Cupid has a busy time ahead of him with Valentine's Day just around the corner but at [OPUS Hotel](#) he has a helping hand in the form of the hotel's Cupid Concierge.

With a bit of help from your personal OPUS cupid, old-fashioned romantics can indulge in the [Exclusively Yours package](#) and enjoy an unforgettable night away. From \$369 a night this special sexy package includes a welcome glass of bubbly, fresh flowers, a 375ml bottle of Veuve Clicquot and handwritten love note and framed photo of your choice – totaling \$155 in perks. A late check-out of 1pm the following day finishes off the perfect night of passion and romance. Email cupid@opushotel.com at least 48 hours before arrival to give Cupid a chance to work his magic.

Lovebirds looking for a romantic meal this Valentine's Day can head to [La Pentola](#), situated inside the OPUS Hotel, and allow award-winning chef Lucais Syme to create a customized dining experience for you and your loved one. Love is all about sharing and the experience will be curated to your unique tastes – simply tell Chef Syme your likes and his team will create a special multi-course menu of sharing plates for you and your loved one.

Available courses include oysters, cured salmon with caviar, crab risotto, house made tortellini, and rack of lamb. Valentine's menus are priced at \$55 or \$75 per person for seven or ten courses respectively. Sit back, enjoy your evening and allow La Pentola to create your most unforgettable Valentine's experience. For reservations or more information, call [604-642-0557](tel:604-642-0557) or visit www.lapentola.ca.

Recently recognized in the 2014 Forbes Travel Guide, OPUS is Vancouver's only four-star boutique hotel and has also been named in Conde Nast Traveler's Top 20 hotels in Western Canada. To book the package please call [1-866-642-6787](tel:1-866-642-6787) or visit <http://vancouver.opushotel.com>.
